Title: Affordable Highway Residences Close to Metro & Shopping Mall in Bagcilar

About Perola Residence

Perola Residence project consists of 437 units in total, 267 apartments, 112 home offices, and 58 stores. The land size of the project is 6500 sqm, and it is located in Gunesli, one of the most rapidly developing regions in the new face of Istanbul. The project, designed in 3 blocks, includes different apartment options such as studio type, 1-bedroom, and 2-bedroom. While the smallest apartment in Perola Residence is planned as 42 sqm, the sizes of the apartments reach up to 162 sqm.

The Perola Residence project, rising in the most central location of Bas?n Eक्सpres, draws attention with its location. Consisting of home offices and residences, the project is located next to the metro line to be completed soon. Perola Residence is also very close to the Northern Marmara Highway and Yavuz Sultan Selim Bridge. The project is 5 km away from E-5 Highway, 3 km away from TEM Highway, and 6 km away from Atatürk Airport.

The privileged features of Perola Residence are promising a pleasant lifestyle. With a swimming pool, cinema / DVD room, fitness room, games room, and bath, Perola has social areas that everyone can enjoy from seven to seventy, and the privilege turns into a lifestyle. First-class materials accompany detailed workmanship in all Perola units. The quality that starts with the residence service at the moment you enter through the door will charm you.
