About Sky Bahcesehir

Sky Bahcesehir project, built by Sinan Gayrimenkul, is rising on a total area of 13,053 sqm. The project, which consists of 12-floor blocks, has a total of 194 apartments. The project includes 116 2-bedroom, 66 3-bedroom, and 12 4-bedroom apartments. The sizes of the apartments start from 80 square meters and expand to 180 square meters. The project offers a spacious living space with large storage areas up to 13 square meters.

Sky Bahcesehir is aimed at meeting all the needs of the homeowners while allocating a significant amount of space for landscaping areas and social facilities. The project includes social areas such as an indoor swimming pool, children's swimming pool, children's playgrounds, fitness center, Turkish bath, sauna, cafeteria, basketball court, football field, skateboard and skate area, amphitheater, chess park, and ornamental pool. Sky Bahcesehir, which has both lake and valley views, is protected by a 24/7 camera system and security team. Thus, while children are having fun outdoors with their friends, parents can develop neighborly relations without worrying about security.

Sky Bahcesehir is surrounded by food and beverage venues, shopping centers, education, and health institutions. It is 1 minute to Bahcesehir Pond, 5 minutes to Aqua Dolphin, 10 minutes to Migros, 10 minutes to Akbati mall, 10 minutes to ?stinye Liv Hospital, 10 minutes to Acibadem Hospital, 12 minutes to Medicana Hospital, 25 minutes from CNR Expo Fairground. The project is 3 minutes from TEM Highway, 15 minutes from E-5 Highway, 15 minutes from Mahmutbey toll booths, and 18 minutes from Yavuz Sultan Selim Bridge Connection Road. It takes 25 minutes to reach Atatürk Airport and the 3rd Airport from the project.
